Just heard that there is new confusion on the Vatican schedule that the advance team is trying to sort out now, so they will be sending us a new schedule soon.

We have received the following changes to the Rome itinerary (since last Friday):

1. Embassy Vatican has confirmed a meeting with Archbishop Gallagher (Vatican Foreign Minister) at 8:45am on June 9th.
2. Archbishop Sorondo, Chancellor Pontifical Academies for Sciences and Social Studies, may be going out of town on June 9th so this meeting may be cancelled – to be confirmed on Tuesday.
3. In the meantime, Embassy Vatican is working to move the air filtration tour up to the 10:00 - 12:00 time slot.

These changes will be reflected in the briefing books. We will deliver briefing books to Samantha, Mandy and Sarah by noon today (without Lincoln's talking points). We will deliver everyone else's, including the Administrator, briefing books (with talking points) by COB today. Lincoln will carry additional talking points for the Administrator, Ryan, Samantha, Mandy and Sarah.

We need to finalize the schedule for Rome and truncated schedule for the G7 so Lincoln and Mandy can contribute to Jane on talking points for the new notebook.
